

VACAVILLE FIRE PROTECTION DISTRICT

CONSIDER FOR REVIEW: DECLINING MEDICAL COVERAGE MAY 2024 BOARD MEETING

OPT-OUT CONSIDERATION

The department would like to offer active full-time paid employees, who decline medical coverage, to be compensated at a rate of two hundred (\$200) dollars per pay period. This is a common practice within the industry, including neighboring Fire Districts. The opt-out arrangement would only be available to employees that are already covered by another healthcare plan.
